

## About Blue Rays Restaurant

With Blue Rays extensive menus, you'll be spoilt for choice every time you visit. Every dish is a unique blend of spices and ingredients, and guaranteed to awaken your taste buds.

Malaysian food encapsulates an enormous variety of tastes and spices. It brings together some of the cooking tradition from all over Asia. Our talented chefs are masters at creating culinary specialty delights like Beef Rendang, Tom Yum soup, Kung po Prawns and Nasi Gorneg, all of which are presented on beautifully decorated plates.
